Driving from Brighton, we left cars *en route* at Amberley Railway Station (free car park). At the end of the walk one car had to drive back to Cocking to collect the car left there.

Having driven all possible routes between Amberley and Cocking, without doubt the best and quickest is to drive west from Amberley on the B2139 to pick up the A29 to Fontwell. From here take the A27 to Tangmere and turn right onto the A285 Petworth Road for a short distance before turning left for

East Lavant and then turn right for Singleton and drive up past Goodwood House and Racecourse. At Singleton you join the A286 two miles south of the Cocking car park

The postcode for Amberley Railway Station Car Park is **BN18 9LT**. The Riverside Tearooms are conveniently nearby.
